### I AGREE TO PAY THE SUM OF \$ AND ACKNOWLEDGE:

1. The above information does not form part of the test report and Weltmeister do not accept responsibility for any inaccuracies
2. Weltmeister will not be responsible for the loss of any contents of the vehicle including its equipment radio and tools unless checked the custody of the storekeeper and a written receipt obtained.
3. Any cost estimates in the report will imply repairs are desirable but will not necessarily mean that they are needed.
4. Weltmeister employees as my/our servants may operate on the vehicle on streets, highways or elsewhere for testing purposes.
5. Weltmeister shall not be responsible for any loss or damage occurring to the vehicle whilst under our control caused by
  - (a) burglary, fire, theft or any other cause unless the loss or damage is solely attributable to a lack of due care or negligence of employees acting within the course of their employment, or
  - (b) by act or default of your employees unless such act or default could have been foreseen and avoided by the exercise of due skill by you.
6. The report is for the use only of the person to whom it is addressed and no responsibility is accepted to any other person for the its contents nor may any reference thereto be included in any document, circular, representation or statement without Weltmeister' approval.
7. The report will be a summary of what you believe to be the condition of the vehicle upon a test, which will not involve an internal engine, gearbox, transmission, clutch or body panels. The inspection is VISUAL and non-mechanical only and Weltmeister will not be any defects that are latent discovered which were not visually apparent during the inspection. The inspection will cover the vehicle's interior, engine compartment, tyres and wheels, brakes, under body and a road test where possible.
8. No removal of parts or components is undertaken during the inspection process unless specified. You acknowledge that while use accepted methods for fault detection, these methods will not necessarily identify all faults with a vehicle. You should consider condition of the vehicle at the time of inspection and any Report should be reviewed in this context. Vehicles are only road tested to local area.
9. The Report provided by Weltmeister to you is only current as at the time it is issued. It is a buyer's responsibility to conduct a visual vehicle at the point of sale as Weltmeister can only advise on the condition of the vehicle at the time of inspection.
10. The Report is not a roadworthy certificate and cannot be used as a roadworthy.
11. You acknowledge that Weltmeister does not check for any manufacturer recall notices and you should check that the vehicle is not notice.
12. Weltmeister will not be responsible for the terms of any transaction between any persons in relation to any vehicle inspected by resolving any dispute between any persons regarding any transaction
